

Leberschutz Bolus

Liver Protection Bolus

agilan® Complementary feed

For cattle

Composition

Yeast, skimmed milk powder, potato starch, dextrose

Analytical constituents

Crude protein	19.3 %
Crude fiber	9.3 %
Crude fat	23.1 %
Crude ash	6.6 %
Sodium	0.5 %
Methionine	6.5 %

Content of additives per kg

Vitamins:

Vitamin B ₂ (3a825i)	1,360 mg
Niacin (3a314)	6,670 mg
Choline chloride (3a890)	66,670 mg

Flavouring compounds:

Milk thistle (<i>Silybum marianum</i> (L.) CoE 551) (extract)	10,000 mg
Artichoke (<i>Cynara scolymus</i> (L.) CoE 565) (extract)	10,000 mg

Recommended use

Leberschutz Bolus (Liver Protection Bolus) contains a combination of rumen-protected choline, niacin and methionine to improve the health and productivity of high-performance cows. This combination optimizes fat metabolism and counteracts fatty liver. In addition, the appetizing plant extracts of milk thistle and artichoke support the physiological liver function and promote bile production.

Feeding recommendation

2-3 pieces (each 85 g) per animal per day, administer orally with commercial donors.

Storage

Shelf life guarantee is only valid for unopened packages. Store dry and at room temperature.
